1850 census, age 4, (Washington, KY)

There is an inconsistency in the name of Peter Martin Key. The KY death records, Ancestry, indicate Peter M Key, son of Lloyd, age 8, Male, died 20 May 1854 as the result of Cholera. The 1850 census supports this information. Yet the 1860 census lists Peter living in Lloyds household. The name Todd appears in the 1930 census and the initial T appears in the 1880 census. There is some evidence of name change over the years.

There is an inconsistency in the name of Peter Martin Key. The KY death records, Ancestry, indicate Peter M Key, son of Lloyd, age 8, Male, died 20 May 1854 as the result of Cholera. The 1850 census supports this information. The 1860 census lists Peter living in Lloyd's household at age. Therefore, it is not possible for this Peter to be the one in the 1850 census. The 1880 census lists the name as Peter T Key and the 1930 census lists the name as Todd M Key. All of the census above are unquestionably the same person. Therefore, there is question about his real given name, Todd or Peter.

At about the age of eight or nine John moved with his parents from Washington County to Grayson County, Kentucky where he lived in the vicinity of Leitchfield for the remainder of his life. During his life, he was a farmer, schoolteacher and Baptist minister.

According to his death certificate, Rev. Lynch died of typhoid fever on June 5, 1917. His gravestone bears the date, June 6, and that is the date given for his death in all other records that have been seen. (Our Lynch Line)

A story about Rev. Lynch told to Cecil Calvert Pryor goes:

In Grayson County, Kentucky, where Rev. Lynch lived and labored, smallpox was not at all uncommon. It was a disease greatly feared and it frequently resulted in death. Vaccination against smallpox was known at the time but evidently it was not practiced to any great extent by the physicians in that area. It may be that people did not accept vaccination as a preventive measure. At any rate, it seems that it was a rather common practice to isolate smallpox victims from their families and from everyone else. On occasion, when a person contracted smallpox the victim would be taken to an isolated cabin or building and left to live or die without any human care at all. Food and water would be left outside the door of the isolated building. Rev. John Nelson Lynch, on numerous occasions, was known to visit victims of smallpox in their isolated shelters where their family had placed them. He fed them, cared for their physical needs and undoubtedly spoke to them of spiritual things. Sometimes the patient recovered; sometimes the patient died. John Nelson Lynch never contracted smallpox.

Cecil had four letters written by Rev. Lynch to his brother, Robert Lee Lynch of Denison, Texas.

The first:

Lilac, KY., 12-8-1903 6:20 pm

Good even, Bob and Bettie, Denison, Texas

"We are well but I am tired; have been killing hogs today. We will have meat for breakfast. Rose and children are in kitchen grinding sausage. We have had about 3 weeks cold, clear weather. Have just closed a meeting at Hanging Rock Church. 3 additions. No profession. Henry and Lois, (John's youngest brother and his wife) have joined- - - may be baptized 4th Sunday in Dec. Dr Ike Lynch (another brother) has joined the Baptist Church at Corinth, KY. Mary (wife of Dr. Ike Lynch) has professed faith in Christ. Pap and Mother promise to come to see us in a day or two. Relatives well as usual.

"I was called as pastor at Pilgrim Church last Sat. My time expires at Little Clifty next Sat. at Hanging Rock Sat. and at Providence in Feb. We are living at the Wm. H. Denison farm. Lilac is our P.O.,-- -about 1 mile toward Rough Creek on Hardinsburg Road. Corn good in Grayson, tobacco fair, wheat and oats were light. Grayson Co. went Republican in Nov. but KY was square as you know. I have presented your cause to the church at H.R. They cheerfully restored you and gave you a letter. You had been dropped because we could not find you. Nothing important to write. Hoping to hear from you soon, I remain your brother,
John

The second letter:

Lilac, KY. 1-28-06

Mr. R.L. Lynch, Denison, Texas

"Good morning, Bob & Bettie & Babe. This gloomy Sunday morning I will sit down for a short social chat. Rose is preparing turnips for dinner. Lillie is reading the W. Recorder. Brown and Ernest have gone to H.R. to church. Dora and Maud are writing letters. John Luther (his son) is at work for U.S. in Philippines. We have not had a line from him since he left San Francisco, Nov. 4, 1905. Cordelia (his daughter) is in Illinois. William Harvey (his son) lives near neighbor to Henry (son) We are having a mild January. I was at Henry's night b4 last. Mother is getting along well. Father is feeble, I doubt his living till spring. Mary M. Lynch (Dr. Ike's widow) lives at McQuady, KY. She has good property at that place and somewhere above \$2000.00. Tom is at Short Creek- - owns a farm and has a fine practice. Emmett and Everett are with him. He has no babies by his last wife.

"I am trying to farm a little while I rest from preaching. I am pastor of 4 churches- -Providence, Pilgrim, L. Clifty and Vertrees (Walkers Upper Mile). I am expecting to go to the Southern B.C. in May to meet at Chattanooga, Tenn. Well Bob, I could write you much if I knew what you did not know. I have been in 4 good meetings this fall and winter. May hold one more at Pilgrim.

The first and last pages of the following letter were missing:

"Belle and Elam live at the old Morrison home. Rose and I are keeping house with only three children- - -Brown, Ernest and Lilly. Will lives near Holly, KY. Cord, Dora and Maud live in or near Williamsville, Ill. John L. has been in service since July 1905- -has been in P.I. since Dec., 1905- -is supposed to be in 5 or 10 days run of the U.S. as his regiment was to sail for the states Nov 15. He is a member of Co.E, 15 Inf.

"Political- -Grayson is Republican; KY seems to be, by the vote for Wilson. Probably we may do better in 12 months- -so mout it be!

"I have been pastor of 3 churches the past year. Was recalled to Pilgrim last Sat.; time up at Little Clifty next Sat., time up at Providence in March so I cannot tell you much of the coming year..."

The last letter written July 22, 1911

"Dear Bro.:

"Received your letter this afternoon. Glad to hear from you. As you probably know, I am the only boy of the family in KY. I am the oldest Lynch of Grandfather's family living. We are well as usual. Mother is quite feeble. Belle is reasonably well. Our three oldest girls live in Williamsville, Ill. 2 boys, Will and John, live in Grayson Co. Brown, our second youngest boy, is in Ill. the youngest boy and girl are at home. That makes the family- -4 of us. Corn crop looks well though we need rain. We received your pictures some time ago and appreciated them much. You inquired about Charlie Conklin. I have not heard from him for a long time- -would not be surprised at almost anything. Charlie was doing poorly before he left here.

The children are going to school. I am preaching to 4 churches. Was at Hanging Rock today. I promised to present my resignation to them at the Aug. meeting. They are too indifferent to suit me. The people generally seem to be religiously dead. God will certainly call these things to remembrance. Jim (the brother who was a criminal) was here in the spring of 1910. I heard of his visit to you. I have not heard of him since he left home. Poor Jim, the world never will be better because of his life. Well, Bob, W.C., ATK, and I.L., Sarah E. have all gone over the river. We hope to meet them in the sweet by & by. Jim, Henry, you and I remain of the boys. Mat and Belle are still in the walks of life. Soon others will pass over. Bob, if I never get to you to talk over this matter face to face- -when someone writes you John N. has gone, I want you to believe I am at rest for Jesus sake saved by grace. Bob, I would be so glad to see you and talk of the past and the future, but it seems I am always too busy to visit. Wishing your sober people success. I must say I cannot see how Christian men can encourage the making, selling and drinking whiskey in this age of the world. I know of nothing that would interest you that I now call to mind. May God bless and keep you and yours.

Your broth, John

Willie was born three days after the death of her father.

53. **Martha 'Mattie' Jane LYNCH**^{9,24} (Harriett Williams Key-3, Jesse-2, Simon-1) was born on 25 Apr 1860 in Grayson Co., KY. She died on 13 Jun 1934 at the age of 74 in Abilene, KS.

1860 census, age 2/12, (Grayson, KY)

1870 census, age 11, (Grayson, KY)

1880 census, age 20, (Grayson, KY)

Mattie was married four times. Her first husband was Andrew J. Mercer who died three months and sixteen days after their marriage. Effie, their child was born five months and twenty days after the death of her father.

Mattie then married Henry M. Carney who had been the husband of her deceased sister, Sarah Ellen Lynch, who had borne his five children. Carney died after being married to Mattie only two months and seven days. Five months and twenty-eight days after Carney's death, their son Claude M. was born. The two, Effie and Claude were Mattie's only children. However, when Henry M. Carney died, Mattie was left with the five children of Sarah Ellen in addition to her own two children. Carney's family came to the rescue and took two of Sarah Ellen's children to rear while Mattie kept the other three plus, of course, her own. Her daughter Effie died when only 14 years old.

Mattie and her third husband, John P. Lee, resided in Kansas where he died some eighteen years after their marriage. Her fourth husband was John Henry Rasher. He and Mattie were married in Kansas and lived there the remainder of their lives. We have been told that Mattie outlived her fourth husband.

It is interesting to note that each of Mattie's two children was born after the death of the father. In those days, according to Cecil's mother, people who were born after the death of their father were thought by many to have certain powers out of the ordinary. It is reported that many mothers brought their children who had sores or a rash on their mouth or face, to Effie or Claude who would kiss the mouth of the afflicted child with the expectation that the sores or rash would immediately disappear.

According to Thomas Lynch, of Short Creek, Kentucky, his Aunt Mattie, for a time, was the cook for a harvesting crew which followed the wheat harvest northward through Kansas, Nebraska and the Dakotas in much the same way that combine crews follow the harvest from south to north in the plains states today. It is reported that Mattie enjoyed the work. We do not know whether she engaged in that work for a relatively short time or for several seasons.

Around the turn of the century Robert went to Texas and remained there permanently. It is reported that he never returned to Kentucky to visit members of his family though he kept in touch through correspondence so long as his parents and any of his brothers and sisters remained alive. He outlived all of them, passing away at the age of 85.

Cecil Pryor included several excerpts from letters written to Robert from his brother Dr. ATK and his wife Sarah during the period from July, 1904 to January 1909. The letters reveal much about happenings to members of the Lynch family, including the death of Dr. Ike (Isaac) and the murder of Dr. Carney (Robert's sister Sarah's son).

In a letter written by Sarah on July 12, 1904, she reports that Dr. ATK is very sick with flux. She states also that I.L. (Dr. Ike) is much worse.

In the letter of July 25, 1904, Sarah states that Dr. ATK...."is up but not strong. R. L. Mercer, a young graduate, is here doing his work. Dr. came very nearly dying...was down 18 days. I.L. is at present a little better. He has consumption. He was able to come over while Dr. was so bad. He still makes an occasional visit in the village where he lives. Dr. says he can't live long."

In a letter written December 26, 1904, ATK tells Robert about Dr. Edward Courtney murdering Dr. William Mulligan Carney who was the son of ATK's deceased sister, Sarah Ellen (Lynch) Carney. ATK writes as follows:

"Under separate cover I send you a copy of Bracken County Review referring to the examining trial of Dr. Edward Courtney for the murder of Dr. William D. Carney on Friday, December 9, 1904, at Neave, Kentucky, Bracken County.

"I had deferred writing you till I could get some intelligence from the examining trial.

"J.T. Carney (brother of the murdered William Carney) was at Brooksville, the county seat of Bracken County, at the examining trial and said the sentiment was very strong against Courtney, but the county judge gave him bond at \$3,000.00.

"J.T. Carney said the commonwealth made a strong case of willful murder and that nearly all who heard it so expressed themselves.

"Dr. Courtney and Dr. Carney had not gotten on well for nearly a year, not having spoken to each other in many months.

"Courtney shot Carney with a .32 caliber Colts magazine pistol--steel balls shooting eight times according to Courtney's own statement, six balls taking effect.

"Carney was shot in the bowels, chest, thigh, right arm and in the knee.

"Carney lived only one hour and his dying statements were that as he passed by Courtney's premises walking, Courtney said, "I am going to kill you". There was no person in sight but three persons heard Willie beg for his life.

"Courtney said under oath at the examining trial that he was returning home when he heard Carney clear up his throat at a distance of 20 or 30 feet behind him and on looking back he saw Carney drawing his pistol and then he, Courtney, drew his and fired at random.

"These statements were not taken very creditably by those who heard the examining trial.

"Carney did have a pistol but it was never fired.

The next letter in the series was written by Dr. ATK on April 10, 1905. He wrote:

"Brother John's Dora (18 years old) has tuberculosis of the lungs. She is able to be up most all of the time but has very poor appetite and coughs pretty hard with occasional attacks of night sweats. (Note: Dora survived the illness which was not consumption but probably the grip of an influenza-like malady. She died in 1973 at the ripe old age of 86.) Had a letter from Dr. William T. Brown, Romero, New Mexico, where Brother Isaac is now in a sanatorium, in which Dr. Brown says that Isaac has improved quite a good deal in 10 days. However, I know full well that Isaac will never make any permanent improvement.

"Mary (Isaac's wife) has returned from New Mexico and is at home at McQuady, Breckinridge County, but I have not seen her since her return. I do not know what Brother Isaac's intentions are in regard to coming home. He did not intend to come

Descendants of Simon Key Jr

home in May at the time he left home. Mr. McCabe came home two or three months ago and seemed to be most encouraged as to Isaac's condition.

The Bracken County grand jury in March returned an indictment against Dr. Courtney for the willful murder of Dr. Carney. The trial will be held in July.

"J.T. Carney employed additional counsel in the person of J. Stanley Webster, of Cynthiana, Kentucky, to assist the commonwealth attorney and the county attorney, in the prosecution of the case.

"The president of the United States visited Kentucky as well as Texas in his recent trip.

A few days (possibly two weeks or more) after ATK's letter of April 10, 1905, Sarah wrote an undated letter. From what she said it is evident that Dr. Ike had returned home from New Mexico. She wrote:

"I.L. is very low. Dr. thinks can only last few weeks at most but would not be at all surprised at his dying at any time.

"Brother Lynch's Dora has consumption.

ATK wrote on May 8, 1905:

"Bro. Isaac is very feeble, not able to sit up much and has only a tolerable appetite.

"The rest are all well except John's daughter, Dora, is in failing health. She doubtless has lung trouble.

"Regards to Miss Bettie (Robert's wife) and a kiss for Baby Ruth.

Sarah wrote again on June 29, 1905:

"I.L. died June 27 and 8 A.M. Your brother Tom was with him when the end came. He said it was the easiest passing away he ever witnessed. After standing to be washed and dressed, he told them he was dying and never spoke again although Dr. thinks he was conscious the remaining hour and ten minutes.

"He was buried near his home yesterday at 2 P.M. Pastor of church preached his funeral and Masons buried him.

"Mother, Elam, John Carney, Ed Morrison and I were present of his family. Two of Mary's sisters and one brother. People of the village have been very kind to them.

"Mary will remain at home. He carried \$3000.00 life insurance. He told Mary the day before he died to write you to come.

"He had often spoke calmly of dying and said his only regret was leaving Mary alone. She is very much torn up as any of us would be.

"Courtney's trial is expected to come off July 5.

"John's Dora is thought to be better.

The next letter was written by Sarah on February 21, 1906:

"Father (Lewis Harvey) Lynch is dead. Died February 19, 7:21 P.M. Was buried at Hanging Rock on the following day about 3 o'clock; funeral at 2 o'clock by Rev. Jo Duggins; grave beside John's children. Mother seemed to stand it very well but expressed a desire to go, too. He died very easy and had told them that he did not care to live longer. He was not sick, just worn out--had been failing all winter. Had often expressed a desire to see all the children. Only Tom and Henry present when he died though John and Belle had been with him during the day. Mind clear to the last...

"John's Dora married last week. John Luther is in Phillipine Islands. I.L.'s widow is still at home where he died. One of her sisters lives with her. We do not hear from James M.

The last letter in the series was written by ATK January 14, 1909:

"Mother is quite supple for an octogenarian. She will be, as you, of course know, 80 the 27th of this month.

Elam Morrison is in the lunatic asylum, this being the second time he has been there.

I wonder if Stewart may be a son of Ames & Zephia HEDGPETH on the 1860 census for Gibson Co., Indiana. I think so; he seemed to have a little difficulty remembering where he was born and when.

Is he the Stewart HUDSPETH who, along with Amos HUDSPETH, was a private in 5 IL US Cavalry?
They both were from Wayne County. Also serving in the Civil War was T. M. HUDSPETH from Macoupin County, who was in 133 IL Infantry. Stewart and T. M. are listed in the 1929 Illinois Roll of Honor.

Son Clarence's death record says that his mother was a SEALS.

I assume that Robert and Leo are the same person

1920

Next door was the household of their sister Ida and her husband, Homer LAKE. With them is Clifford HUDSPETH (age 8), a nephew. I assume that he is a son of Wilbur, whose wife had died.

Apparently, between 1910 and 1920, son Clarence had married and had moved to California, South Dakota, then Kansas.

I fellow family researcher found this info, as to who Frank Wolford Key was named after. His father Lloyd Key serviced under Frank Wolford in the civil war is my understanding. Colonel Frank L. Wolford Monument * Columbia Cemetery (Adair County) Frank Wolford (1817-1895), a native Adair Countian, was a prominent attorney and congressman. He joined the 1st Kentucky Cavalry during the War, and spent much of his time chasing after John Hunt Morgan and his men. This rather controversial Union officer was dishonorably discharged in March 1864 for criticizing Lincoln's presidency, specifically Lincoln's orders to recruit African American men in Kentucky, and was arrested and jailed several times for acts of disloyalty by General Burbridge.

It is said his given name was Colonel Frank Wolford Key, this is told to me by my grandmother who was his great-grand daughter in-law. Said told me he was named after a Civil War Colonel if father served with and admired.

Pap Colonel lived deep in the woods if Logan, Washington Co., Kentucky no roads went there and it could only be gotten to by horse or foot. His was a well known fox hunter and breeder of fox Hounds.
