

Charles Kober, aged 24, died Tuesday morning at ten o'clock at the home of Adam Saldauf in Noble Township.

The young man had been suffering from bowel trouble, the exact nature of which was not exactly understood and Drs. J. T. Dickes of this city, W. A. Chew of Salamonia and Stephenson of Ft. Recovery, held an autopsy at five o'clock Tuesday afternoon to determine, if possible, the cause of death.

No funeral arrangements as yet have been made.
