

Inwood, Bethel and Richland Classes  
of the  
Methodist Episcopal Church  
1880 - 1894

The following was taken from an original record book for this three-church charge of the ME Church. The Inwood church was located on the site of the present Inwood United Methodist church on Hawthorn Rd. in Inwood. The Bethel church was located on Gumwood Rd. in Walnut Twp., between 14th and 15th roads. Richland church sat on the NE corner of 11th & King roads. The book is divided into sections. Column "P" indicates that the person named joined the church as a "Probationer"; "B" refers to those who were "Baptized" by the minister serving the charge; and "FC" are member in "Full Connection" to the church. Marriages recorded appear at the end of this list.
