

—Miss Dora Wiley, of Jefferson township, went to the extreme western part of Kansas last March to take a land claim. She lived with a brother and sister. She was taken ill about the 16th with typhoid fever and died on Thursday evening of last week. The remains were brought here Sunday morning and conveyed to the Jones cemetery near Warren where they were interred. The funeral was largely attended. Deceased was 21 years of age. A sister died at the same place last August of the same disease.
